FISCAL YEAR 2024 INTRODUCTION

October 7, 2023, became a “day of infamy” for Israel.

This grants book, covering fiscal year 2024 (July 1, 2023 to June 30, 2024) does not reflect an ordinary year, nor even a typical emergency response. In the hours, weeks, and months since October 7, the entire landscape has shifted in Israel but also in New York and around the world. Nothing has been business as usual, except for the extraordinary commitment of the UJA community to doing whatever is necessary to stand up for Jewish life and aspirations during this perilous time.

Over the past months, we have had to reconstruct much of what we thought we knew because so much in the world failed to make sense.

As you read through this record of communal action, you will find new categories of work and many first-time partnerships. In Israel alone, UJA worked with 200 organizations that had never before received a grant. This reflects enormous agility and a situation that has remained fluid and uncertain.

Even as we are building new muscle, accommodating a seemingly endless series of shifts, we have also been attentive to our abiding mission of caring, connection, and inspiration. The desire for Jewish engagement, the thirst for meaningful community, the willingness to help have been enduring bright spot in our work of building a better world.

Too many more joined the ranks of the vulnerable this year. **But so many more stood up and asked to be part of creating solutions – and for that, we are blessed, and we are grateful.**

FISCAL YEAR 2024

WHAT WE DO & HOW WE DO IT

As always, UJA is represented by teams of volunteers and staff who showcase the rich diversity of Jewish life. Together, we work from organizational priorities that determine the path for how and what we fund. We're also committed to hearing from nonprofit staff and academics, community members, and the clients we help. We collect and analyze information that helps determine the best way to make real progress and to understand how to make the greatest impact.

In the grant year 2023 – 2024, UJA distributed **\$238,390,000**. This includes **\$61,329,000** in unrestricted grants to a network of more than **62 core partners** plus **\$74,066,000** in strategic, directed grants and **\$102,995,000** in emergency Israel support, and Ukraine-and Crisis Response-related grants to longstanding institutions, grassroots organizations, synagogues, day schools, and other eligible nonprofit organizations.

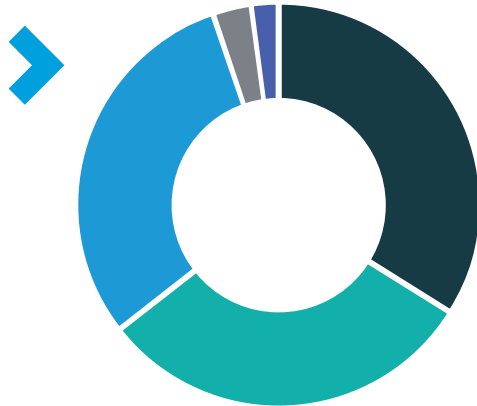

THAT'S HOW WE KEEP MOVING UPWARD THIS YEAR — AND EVERY YEAR.

**WHERE
OUR DOLLARS GO**

IN FY 2024, UJA'S TOTAL GRANT EXPENSE WAS \$263.5 MILLION.

This includes rental value of property used by agencies without charge. Individual grants may be attributed to more than one focus area.
