INTRODUCTION

A YEAR LIKE NO OTHER

In a typical year, this grants book would be an important record of our shared investments in our community. The year 2020 has been anything but typical. While this report still documents our collective grant making, reflecting our commitment to the highest degree of programmatic integrity and true fiscal transparency, it is also a testament to the heroic efforts that have kept critical services and mission-driven programs going despite a global pandemic. For so many individuals, day-to-day life is a regular series of obstacles and uncertainties. Multiply that by millions of people impacted by Covid-19, and you have some sense of what has been required to assure that we are remaining true to UJA-Federation's mission to care, connect, and inspire.

So, while this is a report of our annual accomplishment, it is also a tribute to the unwavering determination of professionals and volunteers within UJA, at agencies and in neighborhoods, on front lines and on screens, who have simply refused to allow a novel virus to alter decades-old commitments in New York, in Israel, and around the world. This fortitude required stunning acts of generosity. We continue to honor the system created by UJA's founders that not only has stood the test of time but continues to shape the future of our collective story.

Ultimately this book is a testament to every person who has made 2020 a banner year for shared humanity.

WHAT WE DO — AND HOW WE DO IT

As always, UJA is represented by teams of volunteers and staff that showcase the rich diversity of Jewish life. Together, we work from organizational priorities that determine the path for how and what we fund. We're also committed to hearing from nonprofit staff and academics, community members, and the clients we help to best understand how to make the greatest impact.

In fiscal year 2020, UJA-Federation distributed \$138,193,071 in grants. This includes \$65,056,594 in general operating support to a network of 65 core partners and \$73,136,477 in strategic, designated grants to longstanding institutions, grassroots organizations, synagogues, day schools, and other eligible nonprofit organizations.

That's how we keep moving upward this year — and every year.
