

# WE NEED YOU ON BOARD

- Are you looking to make a difference in our community?
- Want a rewarding and meaningful leadership experience?
- We invite you to consider board service!

## LEAD LOCALLY

UJA is committed to maintaining a strong and vibrant network of nonprofit partners. After all, these vital institutions are where UJA's mission comes to life. Our partners are on the ground — addressing food insecurity and mental health needs, providing meals and socialization for seniors and Holocaust survivors, fostering vibrant Jewish connections for kids and teens, and so much more!

A strong organization begins with leadership, and there are so many areas of our work that need you. Please consider sharing your time and talents with an agency board.

## OUR NONPROFIT PARTNERS

You can lend your perspective and experience to these communal institutions:

- **Camps, Hillels**, and other institutions dedicated to fostering Jewish identity and learning for kids, teens, and young adults
- **JCCs** that serve as hubs for community connections, programs, and services
- **Health & Human Service agencies** that provide critical social services and support to the elderly, youth at risk, individuals with disabilities, and more.
