

KING DAVID SOCIETY

2025 ROLL OF HONOR

THANK YOU

As a member of UJA's King David Society, you're not just a distinguished donor. You're the driving force behind everything we do to help people and communities in need in Israel, in New York, and around the world.

Our partnership is critical — especially in times of crisis. This past year, with thanks to you, we helped contribute millions to recovery efforts and healing in Israel. We strengthened security and equipped students, professionals, and others to confront raging antisemitism. We met needy New Yorkers where they are, setting up one-stop social service hubs and food pantries in neighborhoods dense with poverty and hunger. And we invested in the heart of Jewish life — summer camps, synagogues, JCCs, Hillels, and more — ensuring Judaism is proudly rooted in every corner of our community.

Your commitment sustains our shared future. And your generosity helps shape a better world, where Jewish life thrives and where we can meet the needs of everyone counting on us.

We're so grateful to stand alongside you in this transformative, lifesaving work.

Volunteering with UJA is a compelling way to experience the impact of our work.

UJA helps care for the remaining Holocaust survivors in New York and Israel, with whom we have limited years left.

A building in Israel stands damaged — but proud — after being hit with missiles from Iran.

Ron Segev, a survivor of the Nova festival attack on October 7, stands as an honored guest on UJA's float at the Israel Day Parade.

Campers at Eden Village plant seeds for the future.

UJA works to make sure isolated seniors know they are seen, heard, and never alone.

The world keeps shifting. Our resolve stands strong.

In 2025, the challenges didn't ease; they evolved. The crisis in Israel persisted, and hostages remained in captivity. Antisemitism continued to stain our city and greater world with brazen hate. New Yorkers still struggled with poverty and hunger. And other threats arose, like a new war between Israel and Iran. But through it all, UJA never wavered. And that's because of you.

It's your clear-eyed recognition of the critical issues at hand, and your ongoing generosity, that helps us confront the crises before us.

How you helped us help others.

Our overall allocation to support the people and land of Israel since October 7 reached nearly \$300 million.* This funding equipped hospitals, supported hostage families, provided mental health treatment to the bereaved, and so much more. At the same time, we stood strong on the front lines against antisemitism as we met the needs of New Yorkers struggling with rising expenses and the relentless grip of poverty, Holocaust survivors, and other vulnerable people who regularly depend on us for support. We also renewed our commitment to strengthen Jewish life and create more opportunities for Jewish engagement and Jewish pride.

Your continuing generosity makes all this, and so much more, possible.

**Approximately \$200 million comes from our Israel Emergency Fund and \$100 million from our annual campaign.*

KING DAVID SOCIETY

A community like no other.

The King David Society (KDS) is a community of our most dedicated supporters, who make an annual gift of \$25,000 or more to UJA.

KDS members join us for high-level briefings and exclusive cultural events. They get VIP access to timely conversations with thought leaders and politicians. And they travel on missions both locally and abroad to experience the impact of their support.

This past year, we explored the complex reality of post-October 7 Israel through the perspectives of former hostages and their families, and Israeli photojournalist Ziv Koren. We also traveled to Israel to support survivors of October 7, meet with civic leaders and trauma specialists, and visit UJA partners responding to urgent needs on the ground.

We heard from Dr. Ali Rashid Al Nuami, the most senior foreign policy advisor to the president of the United Arab Emirates, about the UAE's relationship to Israel and world Jewry, and from Larry A. Silverstein about his new book detailing his 20-year battle to rebuild the World Trade Center. We hosted *Art Up Nation*, a unique exhibition of 60 leading Israeli artists showcasing their work in New York, and took exclusive tours of exhibits like *Ann Frank the Exhibition* and *The Book of Esther in the Age of Rembrandt*.

We marked holidays like Rosh Hashanah and Thanksgiving through volunteering with Afya and at Met Council, and we enjoyed a lively pre-Passover seder with Holocaust survivors.

“Few organizations have UJA's scale and ability to respond to the Jewish people in times of crisis. Especially in a time of rising antisemitism, UJA makes it easy for us to live our core Jewish values of tzedakah and tikkun olam.”

Experience the work.

You have the unique opportunity to engage with the programs and people who benefit from your generosity. KDS donors visit sites where critical work helping people in need happens on a daily basis, participate in coffeehouses and holiday programs with Holocaust survivors, and travel on missions all over the world to see the impact of UJA’s global work.

We’re always here for you.

Worried about aging parents who need assistance? Is your college student confronting antisemitism from peers? Need information on excellent Jewish day camps? You don’t have to face life’s most important crossroads alone.

Partnership goes both ways.
Get in touch and let us know how we can be there for you.

“Over the past year, especially during the time of my father’s passing, I found myself reflecting deeply on why I give and how much of that is rooted in my father’s values, which have helped shape my commitment to UJA. It became not only a continuation of his legacy, but a reminder that we must always take care of our own or risk a profound cost. My hope is to help build a future where our community is strong, prepared, and protected — and I believe we can do that best through UJA.”

— Peter Baum, Co-Chair of King David Society

AMBASSADOR'S ROUND TABLE

The Ambassador's Round Table (ART) is a community of changemakers who've made a generous gift of \$50,000 or more to UJA's annual campaign. In doing so, they lead the way for others to help build a more secure, vibrant Jewish future and greater world.

ART members have a front-row seat to the world's most pressing issues through intimate conversations with international thought leaders and influential people shaping policy, society, and Jewish life.

Through personal visits to UJA nonprofit partners, including our signature Executive for a Day program, they get a powerful window into the lives touched by their generosity.

“I’ve always been proud that UJA can respond to any crisis — big or small — immediately, because the infrastructure is already in place. This was true on 9/11, because they were there on 9/10. It was true during Superstorm Sandy. But never was it truer than on October 7th. Because we were ready on October 6th, UJA was able to act without hesitation when the crisis struck.”

PRIME MINISTER'S COUNCIL

Exclusively for those who make a minimum gift of \$100,000 to UJA's annual campaign, the Prime Minister's Council (PMC) represents the ultimate expression of giving.

PMC members don't just support UJA's work. They help inspire it. Their leadership powers the boldest responses to deeply rooted challenges here at home and emerging crises worldwide. Their generosity represents serious long-term investments in Israel and Jewish life.

Through curated experiences and the highest-level briefings, PMC members engage with the biggest challenges facing our world — and they dedicate themselves to being an integral part of the biggest and boldest solutions.

CAMPAIGN LAUNCH

Each year Prime Minister Council families come together to launch our annual campaign. From generation to generation, the joy of and responsibility for sustaining our Jewish community is celebrated at this hallmark event.

This year, we look forward to celebrating our 2026 Annual Campaign Launch on Wednesday evening, October 22, 2025, with guest speaker Coach Bruce Pearl, head coach of the University of Auburn Men's Basketball. Coach Pearl has been a steadfast champion of Israel and the Jewish community throughout his career.

“UJA’s most cherished supporters inspire gratitude and hope, reminding us of the enduring power of Jewish leadership. Guided by vision, compassion, partnership, and commitment, they meet the needs of the present while shaping the future.”

— Linda Mirels, President, UJA-Federation

The 2025 Campaign represents giving from July 1, 2024, to June 30, 2025.

*In addition to supporting the annual campaign, these individuals have also established a legacy gift. PACE/LOJE Funds represent individuals of blessed memory who created an endowed fund that provides a gift in their name to the annual campaign in perpetuity.

+In addition to supporting the annual campaign, these individuals have also contributed to one of our three Signature Initiatives: The renovation of the Henry Kaufmann Campgrounds, which house the camps of 14 JCCs, representing the largest Jewish day camp system in North America; the Jerusalem Campus for the Arts, which houses Jerusalem’s leading performance and visual arts schools and anchors Jerusalem as a vibrant, rich, multicultural hub; and Upward New York, which includes two one-stop social service Hubs and a Digital Food Pantry system that allows people who are experiencing poverty to find comprehensive, dignified support.
