Our school is successfully enrolled with the Rose Biller Day School Scholarship Fund. What's next?

Once enrolled, your school will receive instructions and a Scholarship Request Form by email. Your school must continue to work with an independent agency — FACTS,

FAST, TADS, or School and Student Services (SSS) for Financial Aid — to determine the needs of all students requesting tuition assistance.

How are the students chosen?

For the 2023 – 2024 school year, priority will be given to students with 100% need and transfer students from non-Jewish schools.

What will the schools submit to UJA?

Once the independent agencies identify the neediest families in your school, schools will submit a Scholarship Request Form, indicating students with the most need and those transferring in. **Schools can submit up to 10 percent of their total student population on the Scholarship Request Form.** Schools should submit their Scholarship Request Form via email to dayschoolscholarship@ujafedny.org by **Friday, May 19, 2023**. *Handwritten or PDF submissions will not be accepted. Scholarship Request forms submitted after the deadline will not be accepted.*

When will day schools find out whether their students were awarded the Rose Biller Day School Scholarship Fund?

Once request forms have been submitted, they will be reviewed and funding decisions will be made. Your school will be notified regarding funding decisions by **Friday, June 16, 2023**.

How many awards can the school hope for?

The number of awards a school receives is based on a number of factors, including how many eligible students have been nominated by all enrolled schools. The number varies from year to year.

When will schools receive checks?

Schools that receive scholarship awards can expect to receive payment in November 2023, once additional materials have been submitted. Additional materials will be outlined in the grant letter received by each school.

Where does the money come from, and how does it get to day schools?

The Rose Biller Day School Scholarship Fund of UJA provides the awards. Payments are sent directly to the schools receiving awards.
